What is the Council?

The Early Childhood Council of La Plata County (ECCLPC) has been meeting since 1998 and in 2012 formed a Board of Directors to operate as a private nonprofit 501(c) (3) corporation. The ECCLPC is a coalition of community members and agencies working together to create a high-quality comprehensive early childhood system to benefit all young children and their families. The ECCLPC is part of several statewide partnerships that are working to incorporate the three domains of early childhood development: Family Support & Education, Health & Well-Being, Learning & Development. We recognize that the child and family are at the center of this system and that it operates within the context of the community.

Mission: The Early Childhood Council of La Plata County supports families by increasing the availability, accessibility and reliability of affordable, high quality comprehensive services for all children (birth to 8 years) and their families.

Goals:
