

# TRAINING REQUIREMENTS FOR FAMILY CHILD CARE HOMES

Training requirements for Family Child Care Homes include specific required courses and requirements for annual ongoing professional development hours. Please use the charts on the following pages to learn more about the specific training requirements and how to complete them.

## Colorado Shines PDIS and Approved Training Vendors

Most of the required training courses are offered free of charge through the Colorado Shines Professional Development Information System (PDIS). To access the Colorado Shines PDIS, visit [www.coloradoshines.com](http://www.coloradoshines.com) and select "PDIS" in the top right corner. The Department of Early Childhood also approves training vendors who offer required courses in an instructor-led format (whether virtual or in a classroom). Approved vendors may be found at <https://cdec.colorado.gov/training>.
